Education

Bachelor's in Computer Science | VIT Bhopal University   CGPA - 9.18 | 2022 – 2026

12th Standard | Sardar Patel Public School, Bhopal   Percentage - 92% | 2021 – 2022

Experience

SDE Intern | Persist Ventures   January 2024 - March 2025

React JS, Node JS, Express JS, MongoDB, Web Sockets, Three JS, React Native, Flask, GenAI

- Engineered an AI persona capable of emulating individual personalities with 85%+ textual similarity, using a custom-trained language model on over 1,000 extracted tweets for behavioral and linguistic analysis.
- Rebuilt a legacy website into a real-time system, reducing content update time by 95% (from 3-4 hrs to under a min).

FullStack Web Developer Intern | MP Police Headquarters   December 2024 - February 2025

React JS, Node JS, Express JS, MongoDB

- Created a scalable Crime Data Entry System using the MERN stack, with secure APIs and optimized database queries, improving data management efficiency by 40% and reducing retrieval time by 30%.

Web Developer Intern | Netlink Software Pvt. Ltd.   November 2024 - February 2025

React JS, React Testing Library, Jest, Spring Boot

- Built robust user interfaces using React.js, ensuring seamless functionality and a 30% improvement in user engagement.
- Gained hands-on experience with Spring Boot, learning to develop RESTful APIs, manage dependencies, and optimize backend architecture for scalable applications.

FullStack Web Developer Intern | BSNL India   October 2024 - December 2024

React JS, Node JS, Express JS, MongoDB, Schedulers

- Engineered a multi-role Facility Management System for BSNL, enabling automated work scheduling, role-specific actions, and real-time maintenance tracking, enhancing operational efficiency by 35% and reducing manual oversight by 25%.

FullStack Web Developer Intern | SimplySecure   August 2024 - October 2024

React JS, Node JS, Express JS, MongoDB, GSAP, Framer Motion, Nodemailer, Cloudinary

- Revamped the website with real-time content updates and integrated support system, reducing media load times by 30%.

Projects

Stay Heaven | *ReactJS, MongoDB, Node.js, Express.js, Generative AI, Razorpay* | **Link, Github (Api), Github(Client)**

- Designed and developed a multi-vendor hotel management platform, integrating secure payment processing, user authentication, role-based access controls, and Socket.io for real-time updates in hotel approvals/rejections, privilege management, and seller dashboards, boosting user engagement by 30% and operational efficiency by 50%.
- Implemented a generative AI-powered chatbot using Gemini, enabling hotel search, bookings, issue reporting, and tracking, enhancing user satisfaction and support.

Browse-Bazaar | *HTML, Vanilla CSS, Tailwind CSS, Javascript, ReactJS, Redux, Strapi, Stripe* | **Link, Github, Video**

- Constructed an engaging e-commerce interface with vibrant product displays, trending carousels, and EmailJS integration, boosting engagement by 35% while enhancing product discovery with filtering, recommendations, and real-time search, reducing bounce rates by 20%.
- Streamlined the shopping journey with a user-friendly cart, secure Stripe payment integration, and smooth checkout process, resulting in a 30% improvement in conversion rates.

Technical Skills

Languages - C/C++, JavaScript, TypeScript, Python, Java

Frontend - HTML, CSS, React JS, Next.js, AngularJS, Tailwind CSS, GSAP, Redux, Three JS, Framer Motion

Backend - Node JS, Express JS, Web Sockets, Flask, Django, RestAPI, Strapi, Passport.js, Springboot, Next.js

Database - MongoDB, MySQL, PostgreSQL

Additional - Email JS, Machine Learning, Generative AI, Git, Github, Figma, Docker, Web Scraping

Coursework - Data Structures and Algorithms, Object-Oriented Programming System, Database Management Systems

Achievements

- Qualified for **Smart India Hackathon 2023** after clearing all 3 internal rounds.
- Achieved a maximum Leetcode **rating of 1868 (Knight)**, placing among the top 5% of users globally.
- Solved over **1000+ problems** on various platforms. **Leetcode GeeksforGeeks CodeStudio**
- Attained global ranks of **1469/35585** in LeetCode's Weekly Contest 401 and **132/1390** in GFG's Weekly Contest 128.
- Championed the successful application and secured the prestigious Reliance Undergraduate Scholarship-2022.
- Earned **Rank 1** in the University-Level Mathematics Quiz, reflecting a high level of logical and strategic thinking.
